Game Night

Your Place Coffee will be hosting a
"game night" open to the public on
the 16th of July from 6:30-8:30 PM.
We hope to make this a regular thing!

May Yipp's Reception

Drop in for our Featured Artist's
reception on July 29th at 4-6 p.m.!

Did you know that coffee “beans” are really classified as berries?

Featured Artist of the Month

May Yipp

www.mayyipp.home.comcast.net

May began painting in 2000 simply because she saw it as a challenge to do something she had never done before. As she began to develop her own personal style, she found that painting expressed for her something that she couldn't express through other venues of art. She now opens up her studio to children twice a week and gives them lessons.

Contest!

This month, Your Place Coffee is hosting a contest for Best Namer of the Newsletter. Come up with a snappy name for our coffee shop newsletter with an amusing pun or a eye-catching title.

Since Your Place is not yet a democracy, the winner shall be chosen by our highly qualified staff members, and the grand prize shall be a free coffee/half price specialty drink.

Turn in your suggestions at the counter where a friendly looking glass jar will be sitting with a sign that says “Official Newsletter Naming Suggestion Jar”. (Or something to that effect. Upon finding this jar and taping this sign to it we may find that the first draft of the jar's title to be too long.)

The deadline to turn in your suggestion is July 27th. Results should be in by late July. So pop in during August to pick up our monthly newsletter to see if YOUR suggestion won!
